

ICDA 2 BILL PACKET

**SATURDAY OCTOBER 28,
2023**

@

**STEVENSON HIGH
SCHOOL**

A Bill to Implement a Sugar Tax to further Education

BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

- SECTION 1.** The United States will implement a 'sugar tax' on sugar-sweetened beverages, syrups, or powders sold or offered for sale to a retailer for sale to a consumer in order to fund education.
- SECTION 2.**
- A. A 'sugar tax' shall be defined as a penny-per-ounce tax.
 - B. A sugar-sweetened beverage shall be defined as a liquid product intended for consumption that contains more than 7.5 grams of added sugar per twelve fluid ounces.
 - C. Sugary syrups and powders shall be taxed at the largest volume of sugar-sweetened beverage that would typically be produced with that amount of syrup or powder (i.e. if one ounce of syrup produces eight ounces of a sugar-sweetened beverage, the sugar tax would be \$0.08 per ounce of syrup).
 - D. Added sugar shall be defined as brown sugar, corn sweetener, corn syrup, dextrose, fructose, glucose, high-fructose corn syrup, lactose, malt syrup, maltose, molasses, raw sugar, and sucrose.
 - E. All revenue from this tax will be directed towards grants for low-income schools on an application-by-application basis.
- SECTION 3.** The Department of Health and Human Services and the Department of Education shall oversee the implementation of this bill.
- SECTION 4.** This bill shall take effect on Jan 1, 2024.
- SECTION 5.** All laws in conflict with this legislation are hereby declared null and void.

*Respectfully submitted to the Committee on Economics by,
Helen Liang of Naperville Central High School*

A Bill to Tax to Save Our Environment

BE IT ENACTED BY THE UNITED STATES CONGRESS HERE ASSEMBLED THAT:

- SECTION 1.** A. All consumer products which contain plastic and/or styrofoam, that cannot biodegrade, shall have an additional 3% tax.
- B. Companies which produce products with over 20% content of plastic and/or styrofoam, that cannot biodegrade, shall have an additional 7% tax.
- C. The revenue from these taxes will go to the EPA for cleanup of polluted water, and the treatment of untreated sewage with in the United States
- SECTION 2.** A. Products containing plastic and/or styrofoam shall be defined as products made from plastic or styrofoam, as well as products which use plastic or styrofoam in its production.
- B. Biodegrade shall be defined as a substance which is able to be decomposed by bacteria or other living organisms.
- C. Consumer products shall be defined as products which are bought by individuals or households for personal use.
- D. Companies in the context of this bill shall be defined as business organizations with over a 1,000 employees and produce any form of products.
- E. Cleanup of polluted water shall be defined as the removal of harmful chemicals and substances from bodies of water.
- SECTION 3.** A. The Environmental Protection Agency shall receive the revenue and distribution of resources for the cleanup of water and untreated sewage.
- B. The Internal Revenue Service shall oversee the implementation and collection of the taxes.
- SECTION 4.** This legislation shall take effect on January 1st, 2024
- SECTION 5.** All laws in conflict with this legislation are hereby declared null and void.

Respectfully submitted to the Economics Committee,

Authored by Adelyn Jacobs Lake Forest High School

A Bill to Lower Automation to Stop the Robots

BE IT ENACTED BY CONGRESS THAT:

SECTION 1. Conscription of Automation can not be prioritized over the Introduction of Human labor, be that corporations cannot create tasks with the intention of use of automation if the task can be handled in the same capacity by a human being. This bill seems to remedy this.

SECTION 2. "Automation" shall be defined as machinery designed to process functions without any additional aid or oversight by humans, which may threaten the current career market.

SECTION 3. Restrictions placed on the following automation will be enforced by the Department of Labor and Department of Commerce upon the following subclauses. All sections of this legislation will be regulated through the Judicial Branch of the United States via interpretation.

a. Under this sub-clause, Automation is to be scaled down to a contribution level of 55% when it comes to Personnel tasks and "generalized work" in the workforce and certain industries, with those tasks ranging from minimal time to long periods of time.

b. Oversight of this legislation in regards to future technology will be done through the newly-created Bureau of Technology, designed for the bringing potential cases to their forefather branch, the Department of Labor. An additional \$2,300,000 added to the Presidential budget to compensate for its creation and maintenance.

SECTION 4. This legislation will take effect on January 1, 2024.

SECTION 5. All Laws in conflict with this legislation are hereby declared null and void.

Respectfully Introduced to the Committee of Economics by

Logan Braunschweig,

A Bill to Grow the Great Green Wall

BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

- 1 **SECTION 1.** The United States will provide funding to the African Union to aid them
2 in their development and continuation of the Great Green Wall.
- 3 **SECTION 2.** The Great Green Wall is an initiative of the African Union to mitigate and
4 fight the extreme climate change conditions, the desertification, and
5 poverty in the Sahel Region by planting a wall of trees stretching across the
6 Sahel region to end the expansion of the Sahara.
- 7 **SECTION 3.** The United States will collect its funding for this bill from the United States
8 Agency for International Development (USAID) and they will provide \$50
9 million dollars.
- 10 A. The United States Secretary of State and the United States Agency for
11 International Development will oversee the implementation of this bill.
- 12 **SECTION 4.** This legislation will take effect on January 1st, 2024.
- 13 **SECTION 5.** All laws in conflict with this legislation are hereby declared null and void.

A Resolution to Save our Sharks (S.O.S)

202

- 1 **WHEREAS,** Indonesia is responsible for more shark finning than any other nation;
2 and
3 **WHEREAS,** Shark finning causes catastrophic harm to shark populations, which in
4 turn disrupts oceanic food chains and adversely affects populations of
5 smaller aquatic species consumed by humans; and
6 **WHEREAS,** The Indonesian shark finning industry has been linked to human rights
7 abuses including fishermen being underpaid, overworked, trafficked, and
8 subject to dangerous working conditions; now, therefore, be it
9 **RESOLVED,** That the Congress here assembled urges Indonesia to strengthen
10 enforcement of existing shark finning prohibitions and to establish new
11 laws that cover currently unprotected shark species; and, be it
12 **FURTHER RESOLVED,** That the United States shall halt all soybean exports to Indonesia if
13 it does not comply.

A Resolution to Stabilize the Unstable

WHEREAS, Turkey (now known as Türkiye) has experienced a staggering number of devastating earthquakes over the past twenty years; and

WHEREAS, These earthquakes have caused a significant loss of life and widespread destruction, highlighting the urgent need for earthquake-resistant infrastructure; and

WHEREAS, The Turkish government has fallen short in providing its citizens with resilient buildings, resulting in a toll of over 70,000 deaths and the destruction of countless buildings over the past twenty years; and

WHEREAS, The lax enforcement of building codes by the Turkish government has resulted in a lack of quality in the majority of constructed homes; now, therefore, be it

RESOLVED, That the United States allocate \$5 billion in aid to the Fuller Center for Housing with the purpose of facilitating the construction of earthquake-resistant buildings in Turkey only under the condition that the Turkish government introduces strictly enforced building standards; and, be it

FURTHER RESOLVED, That if new building codes are not enforced within the next five years, and the allocated funds are used for purposes other than the construction of earthquake-resilient structures, the US shall withdraw all aid proposed in this resolution.

A Bill to Stop the Stress So We Can All Rest

BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

- SECTION 1.** All homework for students in grade levels Kindergarten through 12th grade shall hereby be prohibited in all public schools. Public schools shall be required to provide adequate time during designated school hours for all students to complete any assigned work.
- SECTION 2.** Homework shall be defined as any schoolwork a student is required to complete outside of school hours, including, but not limited to, worksheets, essays, group projects, and reading assignments. School hours shall be defined as the time public schools are actively in session. Exact hourage may vary by school district.
- SECTION 3.** Any public school district found in violation of this bill shall forfeit all federal funding for the rest of the fiscal year, and face extensive evaluation for change in policies to be in accordance with this bill before funding will be provided for the following fiscal year.
- SECTION 4.** The United States Department of Education shall oversee the implementation of this bill.
- SECTION 5.** This bill shall take effect August 1, 2024.
- SECTION 6.** All laws in conflict with this legislation are hereby declared null and void.

Respectfully submitted to the Committee on Civil Policy,

Madison McTaggart

A Bill to Just Keep Swimming

- 1 BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:
- 2 **SECTION 1.** A. Fishing will hereby be banned within 10 miles from all designated
3 natural breeding areas for a minimum of three years until the National
4 Oceanic and Atmospheric Administration (NOAA) deems fishing within
5 those ten miles is now sustainable.
- 6 B. Any violators will face fines of up to \$1 million and three years in prison.
- 7 C. Fisheries will be fully reimbursed for all profit losses for three years.
- 8 D. Sustainable fishing experts from across the world will be hired by the
9 government. They will be sent out across the country to advise fisheries on
10 sustainable yet profitable fishing practices and establish a database of
11 known natural fish breeding areas. Their services will be free of charge to
12 these fisheries
- 13 E. The NOAA, and the Department of Commerce, shall be provided \$100
14 million yearly for enforcement of this legislation.
- 15 F. All funding necessary for this bill will come from a \$0.01 tax on every
16 gallon of water pumped by large corporations who have profits of over \$5
17 million yearly.
- 18 **SECTION 2.** Designated natural breeding areas shall be defined by the database
19 assembled under this legislation.
- 20 **SECTION 3.** The National Oceanic and Atmospheric Administration and Internal
21 Revenue Service will be responsible for enforcing this legislation.
- 22 **SECTION 4.** This bill will go into effect on January 1, 2023.
- 23 **SECTION 5.** All laws in conflict with this legislation are hereby declared null and void.

Respectfully submitted by,

Benjamin Dreves-Hunt

A Bill to Reject the Myth of School Vouchers

1 BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:

2 **SECTION 1.** A. Because the school voucher movement has failed to significantly
3 increase the academic achievement of America's children, the
4 Department of Education shall cease all federal education support for any
5 state or local government that disburses public funds for the support of
6 K-12 voucher programs or voucher-like programs. Funding for non-
7 compliant districts shall be reduced at ten percent per year until it
8 reaches zero. B. Voucher programs that are funded by private
9 philanthropy shall not affect the federal education funding for that locale.

10 **SECTION 2.** A. K-12 means education from kindergarten to the fourth year of high
11 school. B. A voucher program is a policy that allocates public funds to
12 private school tuition. C. A voucher-like program includes tax-credit
13 scholarships, education savings accounts, individual tax credits, or any
14 other mechanisms that divert public funds to private schools.

15 **SECTION 3.** The Department of Education (DOE) will oversee the enforcement of this
16 legislation.

17 **SECTION 4.** This legislation will take effect at the beginning of the 2023-2024 school
18 year.

19 **SECTION 5.** All laws in conflict with this legislation are hereby declared null and void.
