A Bill to Restore Freedom to the Roads

BE IT ENACTED BY THE UNITED STATES CONGRESS HERE ASSEMBLED THAT:

- SECTION 1.** A. All toll roads, bridges, or tunnels within the United States shall be free to use, and no new toll roads, bridges, or tunnels will be permitted.
- B. All companies with at least ten registered 3 or more axle vehicles will be required to pay a 1¢ (1 cent) tax for every mile driven by these trucks. The funds obtained from this tax will be given to the Federal Highway Administration (FHWA) which will distribute them to official tolling agencies to subsidize revenue lost.
- SECTION 2.** A. A toll road, bridge, or tunnel within the United States shall be defined as any currently existing road, bridge, or tunnel entirely within U.S. jurisdiction that charges a fee for motor vehicles to access. This does not apply to any tolls at U.S. border crossings. Toll collecting agencies will be required to track the number of motor vehicles that pass through their toll highway and submit numbers to the FHWA for reimbursement. The reimbursement amount shall be determined by the total amount of tax revenue received in a year divided by the total number of motor vehicles that traveled through any toll system in that year. That dollar per vehicle number will be multiplied by the number of vehicles a specific toll agency received in that year, and that total dollar amount will be reimbursed to the specific toll agency.
- B. Registered 3 or more axle vehicles will be defined as vehicles with 3 or more axles that are registered to a company that has at least ten of such vehicles. Such companies will be required to track mileage and report such mileage when paying taxes.
- SECTION 3.** The Internal Revenue Service (IRS) will be in charge of ensuring proper fund collection through the use of audits and other necessary means. Additionally, the FHWA will be required to audit tolling agencies when deemed necessary to ensure accurate motor vehicle counting. All companies found in violation of this law will be subject to the same disciplinary methods and procedures as those accused and/or convicted of tax fraud.
- SECTION 4.** This law shall go into effect on 1/1/25
- SECTION 5.** All laws in conflict with this legislation are hereby declared null and void.
